May 2022

1 Maze Game

- The game will be of 5 minutes and Every player will have 3 status(Health, Happiness, Coins) on which it will be decided whether he won the game or lost.
- If the dog bite you, you will land to hospital and your health will decrease.(If you are on yulu, the Doctor will take your yulu back.)
- If the Professor catch you, you will land to LHC and your happiness will decrease.(If you are on yulu, the Professor will take your yulu back.)
- You can take the yulu for riding fast from one place to another.(Beware! more time you ride the yulu, more coins will be charged.)
- You can use coins to buy Drinks and Food which will increase your happiness.
- To increase your coins, you can do different tasks and play mini games.
- Task1(Pick the Gift) : You will see gifts which you have to pick up and deliver to the location shown when you pick the gift.
- Task1 : You will get 20 coins after completing one task.
- You can play every mini game once only, so you should give your best in one chance.
- Yulu will cost you 1 coin for 1 second.
- Food will cost you 80 coins and Drinks will cost you 50 coins.
- Your Player will be shown with blue aura and opponent with red aura.
- Yulu will work for money ≥ 1 , once the money reach in negative amount you will able to ride yulu.
